

Parish Council Report
June/July

Vacation Bible School was held here at St. Ann's the week of June 14-18. It was a huge success. The two workdays held June 10 and 11 were great days for adult and youth volunteers to connect and prepare for the events to take place during VBS. Leonor will give you more of a report.

We have Baptism Classes all year long and the teams continue to be faithful about being there and prepared for the sessions. We will meet as a team on July 13 to discuss what we are doing in the classes, if change is needed and to share ideas.

The marriage seminar was a success; 13 couples attended and Julie and Kurt Carrick did an excellent job of conducting the seminar. The concert was not well attended but the parishioners sure did like the Knights of Columbus' hamburgers. Those who did attend had a great time at the dinner and enjoyed the concert.

I have had some time off to visit with family and it has been wonderful. I hope that you have had a little down time and that God has blessed you with a wonderful summer season.
