

Youth Ministry Council Report  
October 2011

Life Teen continues to go well and get an overwhelmingly positive response from the teens & adults! We are averaging between 100 and 125 teens every Sunday.

On October 2<sup>nd</sup>, we participated in a world-wide Life Night called Give It Away Now: Oh Baby Edition. We collected over 250 items to help stock the St. Ann's closet for mothers in need. The freshmen won the contest and brought the most items!

The Peer Ministers continue to help lead small groups at Life Teen and have begun a Bible Study on Wednesday nights as well. We have about 25-30 Peer Ministers every Sunday to help set an example for the underclassmen.

We had our first Super Sunday on October 9<sup>th</sup> for the students who will be celebrating Confirmation this year. We had a good turnout and had some great discussions.

Pizza Lunch continues on Tuesdays. Thanks to the Gists for allowing us the use of their guesthouse again this year. We are averaging 25 kids each Tuesday from Midland High. Unfortunately, the location prevents any Lee students from joining us. We continue to look for a location closer to Lee so we can offer a separate day of Pizza Lunch for them as well.

On October 22<sup>nd</sup> a handful of the youth enjoyed an afternoon of putt-putt golf, go-cart rides, and arcade games.

On October 29<sup>th</sup>, a number of our High School teens volunteered to help make the Monster Mash a success. Thanks to all those who gave their time!

Grace & Blessings,  
Alison Pope
